

RELAIS VILLA L'OLMO

Farm Holidays Relais - Impruneta

By public transportation: From the central train station of Santa Maria Novella in Florence, there is a direct bus to Impruneta that stops very close to Relais. The bus departure terminal (Sita and Cap) is on the left hand side of the train station if you stand with your back to the tracks. It takes about half hour to reach Impruneta and buses run frequently, about every 30 minutes.

By car: from the "Sun" expressway (A1) take the Florence Certosa exit and head for "Tavarnuzze" along the state route (Via Cassia). Less than 1 km thereafter, take a left following the sign for Impruneta. Continue on the "Imprunetana" road for about 4 km until you see a white sign for "Impruneta"; look on the right and you'll see the sign that brings you to Relais Villa l'Olmo
